

I. Claims 1-3 drawn to a card assembly,
classified in class 361, subclass 816; and

II. Claims 4-7 drawn to a method of making a circuit card,
classified in Class 29, subclass 827.

Applicants hereby elect for prosecution the invention as described in Group II,
claims 4-7, and have cancelled claims 1-3 without prejudice. Applicants reserve the right
to file a divisional application directed to the subject matter of the cancelled claims.

The Examiner is requested to telephone applicant's undersigned counsel at the
number noted below if it will advance the prosecution of this application.

The Assistant Commissioner of Patents is hereby authorized to charge any further
fees that are properly assessable in this case or to credit any overpayment to Deposit
Account No. 13-4500, Order No. 1948-4631.

Respectfully submitted,

MORGAN & FINNEGAN, L.L.P.
